

SUPPLY CHAIN

ROUNDTABLE

NOVEMBER 2023

MEET OUR VICE PRESIDENT

I am Cahlia White, the Vice President of the Supply Chain Roundtable for the 2023-2024 school year. I am pursuing my MBA with concentrations in Supply Chain Management and International Business. My anticipated graduation date is May 2024. I chose to attend Clayton State because of the incredible supply chain program and the opportunities provided for students. The Roundtable gives me a chance to hone my soft skills and network with industry leaders. I am excited to participate in our upcoming events in the spring and hope to see more people join the Roundtable.

ABOUT US

WHO WE ARE

We are a group that serves members through education, continuous learning, career & employer services, and community involvement.

WHAT WE DO

We help students network and learn more about supply chain and logistics management. We also prepare students to venture into supply chain or business related career fields.
