

WHO ARE WE?

We are a group that provides students with learning, community service and career opportunities. We help students learn more about supply chain management, logistics and, networking. We also prepare students to venture into supply chain or business related career fields.

The Association for Supply Chain Management (ASCM) is the largest non-profit association for supply chain professionals in the world.

ASCM is an unbiased partner, connecting companies around the world to the newest thought leadership on all aspects of supply chain. ASCM is built on a foundation of APICS certification and training spanning 60 years.
