

Alternative Decorative Image Tags

If you are having issues with marking images as decorative in your course content, please type the word “decorative” into the alt-text box. This will avoid any issues with Yuja recognizing decorative image tags. When a permanent solution is found, we will update our FAQ with new instructions.

The image shows a screenshot of a software interface with a modal dialog box titled "Provide Alternative Text". The dialog box contains the following text and controls:

- Provide Alternative Text** (Section Header)
- Alternative Text** (Section Header)
- Provide alternative text for the image. This text should convey the same information as the image. If this image does not convey any information, select "this image is decorative".
- Alternative Text:
- This image is decorative
-

The background interface is partially visible, showing a sidebar with "Add a File" and "You can" sections, and a main area with "Choose" and "ion" buttons. At the bottom of the dialog, there are "Add", "Back", and "Cancel" buttons.
