AVAILABLE DENTAL HYGIENE HEALTH CARE SERVICES

- · Medical and dental history and recording of vital signs
- Extraoral and intraoral examination and recording of all abnormal conditions observed.
- X-rays of the teeth and surrounding jaw bone. Copies of x-rays can be emailed to the patient's dentist, upon request. Fees may apply for printable copy (\$10).
- Dietary analysis and nutritional counseling.
- Fluoride treatment and application of desensitizing agents to the roots of teeth.
- Pit and fissure sealants.
- Scaling and planing of the teeth and local anesthesia as needed.
- · Whitening impressions, tray, and material.
- Referral for correction of dental needs to general dentists or dental specialists.
- Referral to physicians for further evaluation or treatment of observed medical conditions.

PATIENT'S RIGHTS AND PATIENT'S RESPONSABILITIES

The prospective patient, when accepted for treatment, will have the following rights:

- Considerate, respectful, and confidential treatment.
- Continuity and completion of treatment during the academic semester in which started or the following academic semester.
- Access to complete and current information about his/her condition.
- Informed consent. All procedures and treatments that are indicated for a particular patient will be explained to the patient before these procedures are performed. Also explained will be treatment alternatives, the option to refuse treatment, the risk of no treatment, and expected outcomes of various treatments available.
- Treatment that meets the standard of care in the dental hygiene profession, as practiced in an academic setting, under the supervision of licensed hygienists or dentists. This includes compliance with all Centers of Disease Control or American Dental Association guidelines for infection control procedures.
- Patients will not be denied available services based solely on handicapped conditions or infectious diseases.

The patient has the following responsibilities:

- Considerate, respectful, and confidential treatment.
- To fully cooperate with the student hygienist and supervising faculty during all phases of professional care. Any aggressive behavior /discrimination will not be tolerated. These actions or failure to respond to staff instructions related to aggressive behavior may result in dismissal from the clinic and discontinuing treatment and opportunity for future care in the clinic. (examples of aggressive behavior include but not limited to: physical assault, verbal harassment, abusive language, discriminatory language, sexual language at others, threats, etc.)
- To maintain proper demeanor essential in a health care facility which simultaneously treats other patients.
- To notify the clinic receptionist of an appointment cancellation 24 hours prior to the appointment time and date. A history with failure to keep 3 (three) appointments will result in patient dismissal for a 1 (one) year period. After one (1) year dismissal, if the patient fails to show to an scheduled appointment, a Dismissal Letter from our Dental Hygiene Clinic will be issued and mailed/emailed to the patient.
- If patient fails to show for an appointment and does not give a 24 hour cancellation notice a \$10 charge will be added to patient account, and must be paid prior to any future treatment.
- To arrange for child care prior to scheduled appointments. Small children are not allowed unsupervised in the clinic reception area.
- If six months has elapsed since the beginning of treatment:
- $1.\ A\ new\ fee\ will\ be\ charged\ and\ the\ appointment\ will\ be\ treated\ as\ a\ MUY/MOY\ (recall);$
- 2. Refunds for uncompleted treatment will not be given.

RELEASE AND WAIVER LIABILITY

The undersigned hereby acknowledges that treatment in the Clayton State University Dental Hygiene clinic involves an inherent risk of physical injury and by the execution of this release hereby assumes all such risks. The undersigned further agrees that for the sole consideration of receiving dental hygiene treatment, the undersigned does hereby release and forever discharge Clayton State University and the Board of Regents of the University System of Georgia, its members, official and individually, and its officers, agents and employees of any and from all claims, demands, rights and causes of action whatever kind and nature, arising from and by reason of any and all known and unknown, foreseen and unforeseen bodily and personal injuries, damages to property, and the consequences thereof, resulting from my participation in or in any way connected with such dental hygiene treatment and/or activities. The undersigned also agrees to review the personal patient record contents to be used anonymously in the education context by the Clayton State University dental hygiene program faculty and students.

I understand that the acceptance of this release and waiver of liability by the Board of Regents of the University System of Georgia shall not constitute nor be construed as a waiver, in whole or in part, of sovereign or official immunity by said Board, its members, officers, agents, and employees.
