

Student Activities Center Fitness Center Photography, Video and Mobile Device Rules

1. **Cell Phones and Other Mobile Devices.** Cellular phones and other mobile devices may not be used in photographic or video mode in any locker room, and rest room area. Please use common courtesy when using mobile devices in other areas of the center. The Fitness Center prohibits photography, videotaping, filming, or audio recording of other members without their consent.
2. **Photography and Video.** Professional and commercial photography and videography in the Fitness Center premises (or at a Clayton State University sponsored or affiliated event, programs) is not allowed without the prior express consent of the Fitness Center. Professional and commercial includes, without limitation, any photography or videography that is taken for personal profit, professional gain, or any other commercial purpose (including, without limitation, photography or videography to market or promote any external program, offering, activity, service, product, or brand, including, without limitation, those that compete with Fitness Center products or services) and may involve professional set-ups (e.g. professional cameras, professional video cameras, professional equipment (lighting, tripods, etc.), crew) and/or personal devices (e.g., a phone or tablet).
